Dear Everyone At BEXT:

I just wanted to take a moment and thank everyone at Bext, Inc. When we took a direct hit from lightning, it damaged both of our transmitters. This month we are finally replacing the last piece of damaged equipment.

At the time we were put off the air, we weren't sure what we would do. Fortunately everyone at Bext, Inc. were so courteous and professional, that we were back on the air at full power within 24 hours. I can't begin to thank you all for the help you provided us when we most needed it.

Thank you once again.

Sincerely,
